SA International Announces New World Headquarters

Salt Lake City, UT – January 16, 2009 – SA International (SAi), the leading provider of Solutions for the Professional Sign Making, Digital Printing and CAD/CAM for CNC Machining Industries, announces the relocation of our world headquarters to Salt Lake City, Utah.

SAi has moved to new, expanded and more modern facilities in Salt Lake City. Planning and preparation have been in place for months to help the transition to the new office go as smoothly as possible for our partners, resellers and customers.

Our new world headquarters will provide increased accessibility for our partners and resellers, while enabling us to streamline operations. New demonstration and training space in this location will enhance our ability to test and deliver new products to the channel.

The existing toll free numbers will remain the same. For a complete and up-to-date listing of contact numbers and addresses, please visit www.saintl.biz/Contact_Info26.asp.

About SA International:

SAi is recognized as a global leader in providing complete, professional solutions for the sign making, digital printing and CNC machining industries. The Company's solutions help turn creative ideas into reality by providing world-class design and editing tools geared for production. Headquartered in Salt Lake City, Utah, SAi has additional offices in Belgium, Brazil, China, Japan, Germany and Puerto Rico.
