Scanvec Amiable Signs Advantage Sign Supply as new Value-Added Reseller

Philadelphia, PA – January 30, 2004 – Scanvec Amiable welcomes Advantage Sign Supply as a new Value-Added Reseller to its professional graphic manufacturing solutions distribution network. Scanvec Amiable's software solutions will be distributed through all eight Advantage Sign Supply branches located throughout the United States. Headquartered in Grand Rapids, MI, Advantage has additional locations in Atlanta, GA; Chicago, IL; Dallas, TX; Indianapolis, MN; Philadelphia, PA; Richmond, VA; and Tampa, FL.

Jim Cain, Director of Sales - The Americas, comments, "Scanvec Amiable welcomes Advantage Sign Supply to our distribution family. As market leaders in our industry, Scanvec Amiable will continue to add valuable partners such as Advantage Sign Supply, whose reputation in the Sign Making industry is unmatched and is renowned as "the" professional selling organization in our industry. We look forward to a long and prosperous partnership with Advantage Sign Supply."

" Advantage feels privileged to start working with and supporting Scanvec Amiable's renowned Family of software solutions. We are very confident in Scanvec's ability to continuously develop software that allows our users to be more profitable, while providing tools that are more productive and less wasteful of time and materials," states Russ Herman, President of Advantage Sign Supply.

About Advantage Sign Supply:

Established in 1990, the goal of Advantage was to stay focused on automated sign and router equipment and the supplies related to this field. Advantage Sign Supply has grown based on the concept of providing specialized services concentrating on specific products and services, rather than be a full line supplier. By maintaining this concept they are able to provide quality products and exceptional services. Today, Advantage Sign Supply occupies a 29,000 square-foot building employing over 75 individuals in eight regional branches, covering 23 states.
