SCANVEC AMIABLE AND MUTOH AMERICA PARTNER TO OFFER PRINT & CUT SOLUTIONS

Philadelphia, PA – April 13, 2004 – Scanvec Amiable and Mutoh America Inc. are pleased to announce their new partnership offering the ultimate print & cut solution. As a leader in the sign industry, Mutoh America will offer their Falcon Outdoor printers bundled with their Ultima cutters and Scanvec Amiable's PhotoPRINT Software, creating a single print & cut solution. This will give users a complete package with one individual source, while offering the latest technology for one of the fastest growing sign market segments.

"Mutoh America continues to provide its customers with the best possible solutions for outdoor durable inkjet printing and vinyl cutting through our printers or the powerful state of the art combination of both our printers and our cutters," said Randy Rickert, Director of Sales, Mutoh America. "Scanvec Amiable provides an accurate, fast and easy-to-use print & cut application, which compliments and strengthens our value proposition."

"Scanvec Amiable considers it an honor to be chosen as a preferred application solution by an industry leader like Mutoh America," said Danny Harel, VP of Marketing & Business Development, Scanvec Amiable. "By working together, Scanvec Amiable and Mutoh America can provide a complete solution that not only helps customers facing current production needs, but also results in rapid ROI."

About Mutoh America

Mutoh Industries, Ltd. was founded in 1952 in Tokyo, Japan, to manufacture and distribute mechanical drafting products. Mutoh later introduced a broad line of flatbed and roll-fed pen/pencil plotters that established Mutoh as a worldwide leader in X-Y motion systems and printer and plotter technology. Since then, ISO9000-certified Mutoh Industries, Ltd. has become the world's foremost manufacturer of large format piezoelectric printers. Mutoh manufactures printers and related peripherals for some of the biggest names in the pre-press, sign and graphics industries. Mutoh has key engineering manufacturing and distribution centers in Japan, Belgium and Tempe, Arizona, home to subsidiary Mutoh America. For more information, visit www.mutoh.com.
