Scanvec Amiable, Ltd. Announces Promotion of Ran Rosin to Director, CNC Software

Philadelphia, PA – May 10, 2005 -- Scanvec Amiable, Ltd., the leading provider of Software Solutions for the Professional CAD/CAM for CNC Manufacturing, Digital Printing and Sign Making Industries, has promoted Mr. Ran Rosin to Director, CNC Software.

Mr. Rosin has been with the company since 1996 and has been working with EnRoute throughout all of his years with the company. His experience and superior knowledge of EnRoute and the CNC Manufacturing Market is proven through the development and growth of the EnRoute Product line. Scanvec Amiable is confident that this promotion will further strengthen Scanvec Amiable's position in the CAD/CAM for CNC Manufacturing market.

In his new role, Mr. Rosin will be responsible for all activities for the EnRoute Product line including marketing, business development and sales. He has been with Scanvec Amiable for more than eight years holding several positions within the company including: QA Engineer, Product Manager of EnRoute and Director, CNC Software.

About Scanvec Amiable:

Scanvec Amiable is recognized as a global leader in providing complete, professional software solutions from design to production for the sign making, digital printing, screen-printing and CNC machining industries. The Company's software solutions help turn creative ideas into reality by providing world-class design and editing tools geared for production. Headquartered in Philadelphia, Pennsylvania, Scanvec Amiable has additional offices in Belgium, Brazil, Israel, Puerto Rico, China and Russia.
